Camping Area

There's a little note for the camping Area. This year the area is free of charge. We strongly suggest to camp only with motor-homes or trailers that have water and shower. There will not be any showers available in the area. The place is not a camping area: no hook up, no tank for black water. The space is limited. Please make your reservation. When the area dedicated for camping is full, we invite you to move near the Garda Lake. You can find a full list of camping area in our web-site.
